Jackpot:

If the main Jackpot reaches the maximum of €10,000 the lotto reserve jackpot will be frozen at €2,000. When the main jackpot is won the reserve jackpot will then become the new Jackpot starting at €2,000. This decision was ratified by the Club Executive, Aug 2019

Covid-19 changes to Lotto:

Per condition 4 of our Lotto Terms & Conditions the following changes to the prize fund have been agreed for the period of the COVID-19 emergency. The Match-3 prize will be €25 per match-3 winner regardless of the number winners. The Jackpot fund will rise by €200 monthly, to be applied on the first weekend of each month.

These changes are necessary as a result of physical ticket sales coming to a standstill during the lockdown period. The principal source of Lotto income currently is online sales. However sales are over 50% down compared to the pre Covid period. The Lotto committee will review the prize fund and Jackpot increase when Lotto sales improve to sufficient levels and/or the Covid-19 restrictions are lifted.

These changes were ratified by the Club Executive prior to the relaunch of the Lotto in June 2020.
